Summary Statement

A caring individual who enjoys helping with outdoor chores, cherishing moments with friends and family, exploring Horsham on bike, and immersing myself in computer games. Throughout my journey, I've also developed the skill of adapting to new work environments and effectively navigating unexpected scenarios.

Volunteer Experience

Horsham Youth Council (June 2023 - Present)

As a proud member of the Horsham Youth Council I am dedicated to amplifying the voices of young individuals in Horsham. The mission of the Youth Council is to bridge the gap between young individuals and adults apart of the Horsham Rural City Council by acknowledging their ideas.

Horsham West P.S Junior School Council Coordinator (2021 - Dec 2021)

Amidst the challenges posed by the 2021 Covid Lockdown, the Junior School Council (JSC) achieved remarkable milestones. As part of this team I organised a diverse range of events both within and outside the school community. These events included successful fundraisers, Free Dress Days, heartwarming Acts of Kindness initiatives, Innovative Talent Shows, lively Discos, and other student engaging activities.

Achievements

Vivienne Coulter Memorial Award - Horsham West Primary School (2021)

In 2021, I had the honor of receiving the Vivienne Coulter Memorial Award in recognition of my commitment to the values of our school: Respect, Creativity, Positivity, and Passion. Both my teachers and peers have acknowledged my exceptional achievements and contributions to Horsham West Primary School, affirming their belief in my worthiness as a recipient of the Vivienne Coulter Memorial Award.

Alexander Noel Glancy Scholarship - Horsham College (2022)

The Alexander Noel Glancy Scholarship stands as a lasting tribute to Flight Sergeant Alexander Noel Glancy, a member of the Australian Air Force. In the annals of history, his unwavering dedication shines brightly, even if he vanished without a trace amidst the battles of 1942 in the North African Region. The Alexander Noel Glancy Scholarship is given to students who achieve high standards of behaviour, attendance, sporting and other different school activities.
